Useful information

Opening Times

Tuesday 29 March

10.00 – 18.00

Wednesday 30 March

09.00 – 18.00

Thursday 31 March

09.00 – 17.00

Exhibition Management

The Organiser's Office is inside the hall immediately on the right hand side.

Admission & Fee

in-cosmetics is a trade event. Admission is by badge only.

Entry is free of charge but visitors registering onsite will have to pay €55 (inc. tax) to buy the show catalogue.

The organisers reserve the right to refuse any person admission to the exhibition. Children under the age of 16 cannot be admitted into the exhibition.

Shuttle Buses to the Airports

There's a direct shuttle bus service leaving from East Gate (Porta East) to the following airports; Linate, Malpensa and Bergamo-Orio al Serio. The timetables are displayed at the entrance of the hall.

Restaurants and Bars

There are a number of cafes and bars located on the show floor and a self-service Pizza and Pasta restaurant located on level 2 which is accessed at the rear of the show floor. Several self-service restaurants and cafes are also located outside the entrance to Halls 1 & 3.

Internet access

Wifi is available in the venue via the Vodafone website (payment made by credit card).

Cash point

There is a bank and an ATM next to the show hall (left of Registration).

Cloakroom

The cloakroom is situated inside the hall immediately on the right hand side after the registration area. The charge is €4 per item.

First Aid

If you require first aid please report to the Organiser's Office, inside the hall immediately on the right hand side.

Lost Property

Please report all lost property enquiries at the Organiser's Office, inside the hall immediately on the right hand side.

Disabled Facilities

All exhibition areas are easily accessible for disabled visitors and there are lifts for accessing other floors.

Problems

If you have problems with any of the services during your visit please let us know at the Organiser's Office.

Programme at a glance

Regulatory Seminars

29 March

What?

The first Regulatory Seminar will give you all the necessary insight on how a cosmetic product safety assessment needs to be addressed in order to gain regulatory compliances. The second seminar will focus on the latest Chinese and Asian cosmetics regulations.

Where?

Congress Centre, Level 2, Room Martini (see map page 30)

How much?

€290 (+tax) per seminar

Book at the Registration Desk located next to Room Martini

Scientific Seminars

30 March

What?

New this year are 2 Scientific Seminars bringing together a unique line-up of top ranking speakers from all over Europe to discuss the latest research in skin-ageing, nanotechnology and biotechnology in cosmetics.

Where?

Congress Centre, Level 2, Room Martini (see map page 30)

How much?

€290 (+tax) per seminar

Book at the Registration Desk located next to Room Martini

Programme at a glance

Formulation Workshops

29 and 31 March

What?

On the agenda is a first-ever workshop on natural emulsifiers & surfactants launched by Organic Monitor and a revolutionising method of optimising skin delivery introduced by Prof. Johann Wiechers.

Where?

Congress Centre, Level 2, Room Sagittarius (see map page 30)

How much?

€290 (+tax) per workshop

Book at the Registration Desk located next to Room Sagittarius

Innovation Seminars

29 - 31 March

What?

Hear about the latest ingredients and formulation techniques directly from suppliers in a series of 30-minute free-to-attend Innovation Seminars. Information, knowledge and discussions giving you a competitive advantage you simply won't get anywhere else.

Where?

Regulatory Seminars

In partnership with:

CONUSBAT

Safety Assessment for Cosmetics in Europe

09:30 – 13:30

Key Topics:

- Legislative background, administrative environment and qualification demand for safety assessors
- Guidance for the design, preparation and maintenance of Product Information Files and Cosmetic Product Safety Reports
- Specifics on the toxicological and microbiological requirements for cosmetic ingredients and finished products, key assessment considerations and data sources

Speakers:

- Dr. Annelie Struessmann, CONUSBAT
- Dr. Michael Bogdahn, Beiersdorf AG
- Dr. Silvia Boracchi, EffCI
- Dr. Robert Fellous, IFRA Scientific Committee
- Dr. Marcus Kleber, COGNIS GmbH
- Dr. Winfried Steiling, HENKEL AG

Chinese and Asian Cosmetics Regulations

14:30 – 18:00

Key Topics:

- Regulations in China: an update from Mr. Chen Shao Jun, Secretary General, CAFFCI as well as an opinion from the Industry followed by a round table discussion
- Updates on Korea's and India's regulations
- Updates on ASEAN including the implementation of the Cosmetic Directive by Indonesia

Speakers:

- Dr. Alain Khaiat, SEERS Consulting
- Chen Shao Jun, CAFFCI
- Emmanuel Capiomont, L'Oreal
- Qi Yan, Johnson & Johnson

Formulation Workshops

In partnership with:

From Active Ingredients to Active Formulation in 5 Simple Steps

14:00 – 18:00

Delegates will learn how to:

- Select the best actives for optimum skin delivery
- Identify the size of the delivery gap from the required minimum effective concentration
- Select the most appropriate skin delivery system
- Design the right formulation to deliver the actives
- Perform a clinical trial to assess the products efficacy

Workshop Leader:

Prof. Dr. Johann Wiechers, founder, JW Solutions

Marketing Trends

Media Partner:

10:45 - 11:30 Sparked by Innovation, Fueled by Consumption - Emerging Ingredients Trends

Anna Ibbotson, Industry Manager, Kline

This presentation will provide an overview of ingredients trends, especially those perceived as 'natural' or 'sustainable', and will quantify the outlook for this growing ingredient segment. The competitive landscape will be explored and the industry movers and shakers profiled.

12:00 - 12:45 Digital World of Beauty

Sean Singleton, Group Managing Partner, Skive Group

The emergence of digital media is fundamentally changing the relationship between consumers and beauty brands. Singleton will show how brands have been slow to react but are now starting to experiment with new digital channels to develop new stronger relationships with the consumer.

13:30 - 14:15 Sustainable Sourcing of Ingredients

Amarjit Sahota, Director, Organic Monitor
Rik Kutsch Lojenga, Executive Director, UEBT

Under examination will be the factors companies need to consider when undertaking sustainable sourcing and what lessons can be learnt from pioneering companies. The ecology and biodiversity in cosmetic ingredient sourcing and the social implications will also be discussed.

**14:45 - 15:45 in-focus Round Table Discussion
Life Cycle Analysis: Choosing the Right Indicators**

Olivier Jan, Executive Director, BIO Intelligence Service
Gillian Briggs, Section Head, Colour Cosmetics Formulation Design, P&G

16:15 - 17:00 Niche Brands - Success Secrets Revealed

A live interview with the founders of Bulldog Natural Grooming Simon Duffy and Davina Peace, conducted by Angelika Meiss, Senior Editor, COSSMA.

18:00 - 20:00 Reception & Awards Ceremony

Scientific Seminars

In partnership with:

Skin-Ageing - From Functional Impairment to Cosmetics Solutions

09.30 - 13.00

Key Topics:

- Latest research in key cellular and biochemical changes associated with skin-ageing
- Most recent methods to measure and quantify ageing skin and the effects of anti-ageing treatments
- Oxidative stress and its testing by molecular probes
- Optimal dermal delivery for anti-ageing actives
- Latest innovation in actives and formulation

Speakers:

- Dr. Anthony Rawlings, AVR Consulting Ltd
- Dr. Enzo Berardesca, San Gallicano Dermatological Institute
- Dr. Stefano Manfredini, University of Ferrara
- Prof. Dr. Johann Wiechers, JW Solutions
- Prof. Luigi Rigano, Studio Rigano

Nanotechnology and Biotechnology in Cosmetics

14.00 - 18.00

Key Topics:

- Practical applications and opportunities
- Safety of cosmetics nano-formulations
- Consumer perception and industry response
- Regulatory framework in Europe
- Biotechnology - An answer to alternatives for animal model testing?

Speakers:

- Dr. Kostas Kostarelos, University of London
- Dr. Florian Weighardt, TeknoScienze Srl.
- Dr. Gerhard J. Nohynek, L'Oreal
- Dr. Denis Koltsov, Nanotechnology Industries Association
- Dr. Fred Zuelli, Mibelle A.G. Biochemistry
- Dr. Florian Schellauf, Colipa
- Dr. Hermann Stamm, European Commission

Marketing Trends

Media Partner:

09:45 - 10:30

Anti-Ageing - Innovation from Around the Globe

Vivienne Rudd, Senior European Beauty Analyst, Mintel Beauty Innovation

Mintel's team of beauty trend spotters have sourced the hottest anti-ageing finished products on the market from Europe, Asia, USA and Latin America. Rudd will cover the beauty trends and demonstrate how they can be used to forecast anti-ageing market movements, taking consumer concerns, product innovation and the latest anti-ageing actives into account.

11:00 - 11:45

Global Beauty and Personal Care - The Year in Review and Winning Strategies for the Future

Irina Barbalova, Head of Global Beauty and Personal Care Research, Euromonitor International

Barbalova will discuss Euromonitor's latest research into evolving spending and consumption patterns. She will contrast the fortunes of the premium and mass-market cosmetics sectors and identify key category dynamics and product development strategies, asking whether there is more room for high-tech innovation.

12:15 - 13:15

Anti-Ageing Skincare & Aesthetic Medicine

Emmanuelle Bassmann, Managing Director, In-Trend Ltd
Bérengere Boucly, Marketing Manager, Filorga

Bassmann will showcase the latest trends in aesthetic medicine, showing how medical processes have been put in jars and even inside make-up. Boucly will provide a case history for Filorga, which brought mesotherapy into cosmetics, showing how this highly medical concept has been brought into the mainstream.

14:00 - 14:30

Communicating Sustainability with Transparency

Keynote Speech by Filipe Sabara, Business Director, Beraca

14:45 - 15:45

in-focus Round Table Discussion

Eco-Design: Achieving a Positive Environmental Impact

Michel Philippe, Green and Sustainable Chemistry Manager, L'Oréal
Pascal Bordat, VP Aveda R&D/EL Botanical Technology, Estee Lauder

16:15 - 17:00

Current and Future Industry Influencers for Personal Care Innovation

Gillian Morris, Director in the Chemicals and Materials Consulting Practice, Kline

Morris will draw examples from industries such as aerospace, defence, textiles, coatings, medical devices and pharmaceuticals, among others, showing how they could potentially influence technology and innovation in personal care categories.

10:45 - 11:30

How Retailing Changes are Affecting the Distribution of Beauty and Personal Care Goods

John Wright, Head of Global Retailing Research, Euromonitor International

Wright will focus on the growth of modern grocery retailing and how it has put independents under pressure, including the growing importance of private label. He will examine how premium retailers are fighting back and how direct sellers and internet retailing are becoming a force to be reckoned with.

12:00 - 12:45

A Global View of What Consumers Want in Personal Care and How Manufacturers Have Responded

Luckshie Haran, Principal Consultant, Datamonitor

Haran will analyse consumer attitudes and behaviours globally in the cosmetics, haircare and skincare markets. She will show case studies of how manufacturers have responded to these consumer trends through means of new product development strategies.

14:00 - 14:45

How to Develop and Market Cosmetic Products in Southern Africa - A consumer survey with Southern African Women

Sybille Buchwald-Werner, Managing Director and co-founder, Vitals Solutions

Using the results of a survey, Buchwald-Werner will examine Southern African women's cosmetics behaviour and introduce guidelines for future new product development and market entry.
